TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

1. Definitions

- 1.1. **“License”** shall mean the terms and conditions for use, reproduction, and distribution as defined by this document.
- 1.2. **“Licensor”** shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.
- 1.3. **“Legal Entity”** shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, “control” means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.
- 1.4. **“Interact”** (or **“Interaction”**) shall mean any form of communication between software, hardware, networks, or users in which information is exchanged, whether directly or indirectly.
- 1.5. **“Source”** form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.
- 1.6. **“Object”** form shall mean any form resulting from transformation or translation of a Source form to other media types, including but not limited to compiled object code, generated binaries, and generated documentation.
- 1.7. **“As A Service”** shall mean any product, website, or software which makes the Source form or Object form available for Interaction with user(s), or other software, whether directly or indirectly.
- 1.8. **“Work”** shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example of a copyright notice is provided in the Appendix below).
- 1.9. **“Derivative Works”** shall mean any work, whether in Source form or Object form, that is based on (or derived from) the Work. For the purposes of this License, Derivative Works shall include any work that is, as a whole, the result of modification(s) to the Work or Derivative Works thereof. For the purposes of this License, Derivative Works shall not include works that remain

separable from, or merely link (whether statically or dynamically) to the interfaces of, the Work or Derivative Works thereof.

1.10. **“Contribution”** shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or a Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, “submitted” means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as “Not a Contribution”.

1.11. **“Contributor”** shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

1.12. **“You” (or “Your”)** shall mean an individual or Legal Entity exercising permissions granted by this License.

2. **Grant of Copyright License.** Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, and distribute the Work, or Derivative Works thereof, in Source form, Object form, or As A Service, provided that You meet all of the following conditions:

2.1. Work, or Derivative Works thereof, that You distribute (whether in Source form, Object form, or As A Service) must be licensed under this License, without any additional terms or conditions.

2.2. You must inform recipients of the Work, or Derivative Works thereof, that You distribute (whether in Source form, Object form, or As A Service), that the said Work or Derivative Works are governed by the terms and conditions of this License, and how they can obtain a copy of this License.

2.3. You must make the Source form of Derivative Works that you distribute (whether in Source form, Object form, or As A Service), freely and publicly available for download. You must inform the recipients of the said Work or Derivative Works that the Source form is available for

download, and You must provide the location from where they can freely download the said Source form.

- 2.4. You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works.
- 2.5. If the Work, or Derivative Works thereof, include a "NOTICE" text file in the Source form, then Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works that You distribute, in a NOTICE text file within the Source form. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, or Derivative Works thereof, provided that such additional attribution notices cannot be construed as modifying the License.
3. **Grant of Patent License.** Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this License) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.
4. **Trademarks.** This License does not grant permission to use the trade names, trademarks, service marks, product names or logos of the Licensor or any Contributor, except as required for reproducing the content of the NOTICE file.
5. **Disclaimer of Warranty.** Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or

redistributing the Work, or Derivative Works thereof, and assume any risks associated with Your exercise of permissions under this License.

6. **Limitation of Liability.** In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall the Licensor or any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Licensor or Contributor has been advised of the possibility of such damages.
7. **Accepting Warranty or Additional Liability.** While redistributing the Work, or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Licensor or Contributor, and only if You agree to indemnify, defend, and hold each Licensor or Contributor harmless for any liability incurred by, or claims asserted against, such Licensor or Contributor by reason of your accepting any such warranty or additional liability.

If any provision of this license is held to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force and effect without being impaired or invalidated in any way.
